

A Tribute to Lost and Delirious

"P"

You've got me that chance
When you asked me for a dance
I just closed my eyes
And I wait for the surprise

You've bring me so high
Where birds don't even fly
That was my first time
It felt so good to be a crime

Chorus:
*Oh you changed my world
But why you have to be a girl*

I'd never really thought of it
If only in the crowd we could have fit
In my world it's impossible
In yours it's unimpeachable

You were the only one for me
I was everything for you "P"
We were so happy before
Before they opened that door

Chorus:
*Oh you changed my world
But why you have to be a girl*

Sorry but I had to lie
Lie to myself until I die
I didn't want to let you down
But I did let you drown

Will you ever forgive me
Because I gave you for security
And I betrayed you and mouse...
Even from your secret house

Chorus:
*Oh you changed my world
But why the hell you had to be a girl*

*My bounty is as
Boundless as the sea,
My love as deep;
The more I give to thee,
The more I have,
For both are infinite.*
